

# LET'S PARTY

## AGES 6-12

### WELCOME ACTIVITIES

Every child who celebrates their birthday with Silly Goose receives their own SG tee shirt, which guests sign and decorate as they arrive.

Guests will explore activity materials & begin to make creative choices until everyone arrives!

### THE MAIN EVENT: ART OR SCIENCE?

Your party host will lead the group in "the main event"; this craft or activity is either art or science based and is personalized to the child's interests. Examples include: mixed media canvas, Funfetti jar, canvas pouch, slime bar, volcanoes, bouncy bars

### FOOD & DESSERT

Silly Goose is happy to coordinate food service from Planet Pizza if you wish, though you are welcome to bring any food or drinks the birthday child would like to serve. We provide water and juice with pizza orders. Solid tableware is included with your party.

Families will need to provide dessert.  
Pro tip: cupcakes are the easiest option!
